

Pool Cleaner

June 24, 2005

Important Notice to all Rancho Montaña Residents.

An automatic pool cleaner is going to be installed in the pool. The cleaner acts like a little robot – moving around the pool cleaning as it goes.

Do not remove the pool cleaner from the pool under any circumstances. You can destroy the pool cleaner and damage the pool electrical systems.

If you see anyone (including children) tampering or playing with the pool cleaner, tell them to stop immediately and call our property manager, Jim Bahl, at (480) 544-7669.

Anyone damaging the pool cleaner will be responsible for all repair costs!
